Working with Your Doctor: Getting the Healthcare You Deserve

By Nancy Keene

O'Reilly Media, Inc, USA. Paperback. Book Condition: new. BRAND NEW, Working with Your Doctor: Getting the Healthcare You Deserve, Nancy Keene, Getting the best healthcare in today's world requires that you participate in the process. Working with Your Doctor: Getting the Healthcare You Deserve will help you to be your own advocate, to get the very best in healthcare, and to have the best possible relationship with your doctors. It will show you how to become an assertive, but understanding, medical care consumer. Medical treatments are more complex than ever, and there are almost always options, especially for chronic conditions. You often receive care from several doctors, either because you have conditions that require specialists or because you receive treatment through a group practice or HMO. This book contains stories from both doctors and patients -- medical "frequent fliers," who share, in their own words, the lessons and strategies they have learned in their medical journeys. These first-hand accounts are a reminder that with the right tools we can maneuver through the often complicated maze of medical information and get the best care available. We don't waste any energy railing against "the system" or demonizing doctors. Instead, we give you...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
