By Robbi Pounds

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In *Rubble Fever*, Robbi Pounds artfully braids two stories--the coming and surviving of and the rebuilding after Hurricane Katrina, and the ways in which an only child in her late twenties copes with the illnesses and deaths, a few years earlier, of the parents she adores. She sees, comprehends, and relates the small stuff that adds up to the big stuff, staying firmly on the earth of the five senses; the odd thing is that without ever once resorting to abstraction or philosophizing, her narrative manages to convey a broad and deep sense of what it means to be human, to struggle, to lose and gain hope, and finally, of course, to survive. Readers familiar with Katrina will relive their own experiences within her evacuations, wary homecomings, her physical labors gutting and rebuilding...
