Reviews

The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

THE SPEED READING BOOK: READ MORE, LEARN MORE, ACHIEVE MORE

Pearson Education Limited. Paperback. Book Condition: new. BRAND NEW, The Speed Reading Book: Read More, Learn More, Achieve More, Tony Buzan, To survive in this fast-moving, ever-changing world we all have to move fast and think fast to keep up. With so much to do and less and less time to do it, our free time is an increasingly precious commodity. So, if there was a simple way to save hours, days or even months of your time, you'd probably want to know about it -- right? Well there is, and it's Speed Reading. Imagine the time you could save, and all the amazing new information you could consume, if you were able to read at speeds of over 1000 words per-minute. And we don't mean just simple skim-reading, but also properly and completely comprehending, understanding and retaining the information you've read. This fully revised and updated edition of the powerful book from the world-renowned authority Tony Buzan, will show you exactly how you can quickly start to read at amazing speeds. Speed Reading is simple to follow, easy to understand and fun too. You'll find out how fast your reading speed is now and then discover how you could be reading dramatically faster in no time. And you won't just improve your reading speed, but your concentration and comprehension levels will soar too. The techniques in the book are ideal for teachers, students or executives -- indeed, anyone who wants to improve the speed, comprehension and quality of their reading. The benefits of speed reading are numerous, no matter where or why you read. You'll be able to zip through whole novels in one sitting; you'll speed through newspapers and magazines in minutes; you'll be the envy of your colleagues as you consume and understand business reports in record time....
