

Exploring People and Cultures: Authentic Ethnographic Research in the Classroom

By Brooke Walker, Mary Ellen Sweeney

Sourcebooks, United Kingdom, 2012. Paperback. Book Condition: New. 279 x 213 mm. Language: English . Brand New Book. Kids are naturally curious about the many cultures and subcultures of the world. Exploring People and Cultures: Authentic Ethnographic Research in the Classroom taps into that interest by providing teachers of students in grades 5-8 with tools and activities for helping kids conduct a study of ethnic groups and cultures in the classroom. Through the more than 30 ready-to-use, differentiated lessons, teachers will help students learn how to recognize and understand the elements of culture; think critically, creatively, and confidently; practice and apply real-world research techniques in field experiences; identify behavioral themes and patterns present in modern-day cultures; and create, plan, and share their final products in a student-led ethnography fair. The lessons meld interdisciplinary themes in the social studies, language arts, and humanities content areas, while helping students prepare for upper-level research projects in a fun and interesting way.
