This new edition includes extra content related to Hospitality and Tourism courses, an extension of the interpretation of correlation analysis and a new section on how to design questionnaires. * an introductory text and an accessible approach to a difficult subject, Stats Means Business assumes no prior knowledge of statistics and therefore won t intimidate students * techniques are explained and demonstrated using worked examples and real life applications of theory. Guidance is also given on using EXCEL, Minitab and SPSS * a companion website for lecturers and students which includes PowerPoint slides, lesson plans, Minitab and SPSS recipe cards and review questions and solutions to aid teaching and learning .
