

Quiz Questions on Embryology, Operative Dentistry and Dental Pathology (Classic Reprint)

By Harry B Tileston

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Quiz Questions on Embryology, Operative Dentistry and Dental Pathology The purpose of this volume of questions is to aid the students of The Louisville College of Dentistry in their study of the subjects presented in the lectures by the professor of Embryology, Operative Dentistry and Dental Pathology. It is in no sense intended to be considered a text-book, nor is it expected that It will take the place of text-books. On the contrary, the object the writer has had in mind is to encourage the extensive use of text-books by the students and it is hoped that these questions will but prove an incentive and a guide to further study of the subjects merely outlined in this volume. On Embryology the student is recommended to the careful study of the chapters in Vol. 1 of The American System of Dentistry on Dental Embryology and Histology by W. Xavier Sudduth, M. D., D. D. S., and to chapter II in the work on Operative Dentistry by Dr. John Sayre Marshall. This latter treatise is beautifully illustrated...

Reviews

These kinds of publication is the greatest pdf available. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Lorena Streich**

It becomes an awesome pdf that I have actually read through. It really is full of knowledge and wisdom You may like how the writer compose this book.
