Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Mineral Waters of Vittel: Grande Source and Source Salée, Their Nature and Uses The application of natural mineral waters to the cure or relief of disease involves much more complicated considerations than is sometimes supposed. Mineral waters are a two-edged weapon demanding the most skilled handling. Hence medical men who send patients to mineral-water health resorts should be well acquainted both with the property of the water at the resort selected and with the ways in which it is likely to be used by the colleague thereat to whom they entrust their patients. During the past few years the details of hydrotherapy have been considerably modified under the influence of various authorities, including physicists and scientific chemists, as well as medical men. The treatment provided now is not merely curative, but also prophylactic, and may be applied with advantage to children as well as adults. In this connection a statement of Professor Landouzy may suitably be quoted: What is necessary is that the medical profession should learn to take advantage of natural mineral waters...
