Crystal gifts and greetings are messages of a very special kind: crystals bring strength and joy; they help us to recuperate from illness, are a source of protection and power, and promote trust and bring comfort. Crystals express affection in their own way, preserving the memory of special moments and events through their very existence. Stones are more than mere words. We can see, touch and feel them, we can carry them or hold them in our hands; they make good companions in both good and bad times. They are enduring gifts, patient, always there for us, ready when we need them. It is time to give them - and us - the chance to speak.
