Three Stars above Luanda is a human rights political thriller set in Angola s capital city. For some time it had been thought that Jonas Savimbi, a cold warrior blessed by President Reagan for his rebellion against the communist government, would follow through on the peace agreement brokered by UN Representative Maitre Beye. But that was not to be, and in the second half of 1998, after he resumed the civil war, it was thought that he just might send his guerillas into Luanda. Security forces were on full alert. While the historical setting is accurate enough, the story itself is pure fiction. A well known reporter is murdered by car thieves, and Matt Sheridan, a Human Rights Officer with the United Nations Peacekeeping Mission smells a rat given the state apparatus of repression. He also sees this as an opportunity to give visibility to human rights issues, since the all pervasive abuse is not mentioned in any media except for the Catholic radio. Partnered by two human rights activists, Benedetta Lincolonha, a Professor and lawyer at the Catholic Law School and Angelo, a Catholic priest, the investigation of the facts highlights many questions that call for further investigations. Their progress however is being closely followed by General Bernardo, chief of the secret service. He ordered the journalist assassinated, and had previously tapped Angelo s house because the priest was a public critic of police abuse of street kids for whom he runs a training center. The case is further complicated when the police arrest three car thieves (at the General s request, since he wants to put an end to the investigations, and all suspicions that...
