

A Hundred Ways to Make a Successful Business on the Internet: (Business Development on the Internet)

By Dr Ehud Roffeh Adv

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It is generally thought when referring to a start-up, that we are talking about a technological enterprise dreamed up by an entrepreneur or group of entrepreneurs who know that their project could make a very real impact on the real world. The start-up can also be a new company that has developed a business plan, raised the funding required for the venture and is now ready to implement the business model described in the business plan and for which the money was raised. It is also assumed that in order to implement this type of project, the entrepreneurs must be aware of the inner workings of technology, finance, processes needed to implement their business plan as well as all other processes required to make the project a reality. And if this wasn't enough, they must also have an academic education in Business Management and/or have to recruit a person with these abilities in order to guarantee success. Given all this, then their success is guaranteed - or is it? My position on this is...
