Political Class Dismissed is an unrelenting assault on Americas (and Buffalos) political class: the people who have seized political power and used it to advance their own private interests--domestic and foreign--at our expense. The author is uniquely qualified to expose the political class, growing up in a political family, being a former liberal Democratic activist and candidate, and practicing law in state and federal courts for twenty years. His trenchant and unprecedented critique of todays courts is alone worth the price of the book. He has been fighting the political machine for over twenty-five years, culminating with this broadside. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
