Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The world is faced with numerous challenges that require unity of purpose to resolve or alleviate. This book is a courageous attempt at making sense out of the pertaining chaos. The author does so from a religious point of view. The book not only analyses what is wrong with the world today but offers solutions in sorting out these challenges. It is a practical and well researched book that has original ideas and content. The title says it all: The Wheel of Peace; a wheel with twelve spokes, all connected to the centre -God, who is the source of everything good! It is not a coincidence that the Wheel of Peace model on the cover page is analogous to the arrangement of the clock, of time: 12 hours of day time (day light), at least in the part of the world where the author comes from, and 12 months of the year. The Wheel of Peace needs to be constantly turning in our lives just like time is constantly ticking. We all strive for peace, but many do not care to explore the intricacies in achieving it; the peace of mind, peace of the self; peace in the marriage, in the home, in the family, and in the work place; peace in relationships, in the neighbourhood, in the nation, and in the world. The book is a good read for everyone, because it encourages and can inspire every individual to do good and become or remain the instrument of peace that God has design and intended them to be. Biblical scripture urges us to encourage and strengthen one another in the things of peace (Romans 14:19). The book...
